The Conflict Resolution Toolbox: Models and Maps for Analyzing, Diagnosing, and Resolving Conflict

In real-life conflict resolution situations, one size does not fit all. Just as a mechanic does not fix every car with the same tool, the conflict resolution practitioner cannot hope to resolve every dispute using the same technique. Practitioners need to be comfortable with a wide variety of tools to diagnose different problems, in vastly different circumstances, with different people, and resolve these conflicts effectively. The Conflict Resolution Toolbox gives you all the tools you need: eigh...

Conflicts in a Conflict: A Conflict of Laws Case Study on Israel and the Palestinian Territories (Cile Studies)

Conflicts in a Conflict outlines and analyzes the legal doctrines instructing the Israeli courts in private and civil disputes involving the Occupied Palestinian Territories of the West Bank and the Gaza Strip, since 1967 until the present day. In doing so, author, Michael Karayanni sheds light on a whole sphere of legal designs and norms that have not received any thorough scholarly attention, as most of the writings thus far have been on issues pertaining to international law, human rights, hi...

This is a book about finding that key in order to resolve nagging conflict and prevent inconsequential conflict from cluttering your life. In The Conflict Pivot, veteran mediator, coach, and conflict resolution teacher T...

Ethnic Conflict: A Systematic Approach to Cases of Conflict

As ethnic groups clash, the international community faces the challenge of how to respond with solutions to bring about peace. In Ethnic Conflict, Jesse and Williams bridge three sub-fields of political science: international relations, comparative politics, and political psychology, allowing for greater insight. They systematically apply a levels of analysis: individual, domestic, and international framework to ethnic conflict to better explore and understand its complexity. Five case study chapt...

Democracy and Conflict Resolution: The Dilemmas of Israel's Peacemaking (Syracuse Studies on Peace and Conflict Resolution)

Studies of the Israeli-Palestinian conflict typically focus on how international conditions drive the likelihood of conflict resolution. By contrast, Democracy and Conflict Resolution considers the understudied impact of domestic factors. Using the contested theory of democratic peace; as a foundational framework, the contributors explore the effects of a variety of internal influences on Israeli government practices related to Israeli-Palestinian peacemaking: electoral systems; political parti...
Software Paradigms

Software Paradigms provides the first complete compilation of software paradigms commonly used to develop large software applications, with coverage ranging from discrete problems to full-scale applications. The book focuses on providing a structure for understanding a hierarchy of software development approaches, and showing the relationships between the different models. Coverage includes paradigms in design patterns, software components, software architectures, and frameworks. Chapters within...

Ecological Paradigms Lost

This edited volume in the Theoretical Ecology series addresses the historical development and evolution of theoretical ideas in the field of ecology. Not only does it recount the history of the discipline by practitioners of the science of ecology, it includes commentary on these historical reflections by philosophers of science. Even though the theories discussed are, in many cases, are at the forefront of research, the language and approach make this material accessible to non-theoreticians. T...
