The Promises She Keeps

widespread application may be for commerce, from protecting the security of electronic transfers to guarding communication from industrial espionage. This accessible introduction for undergraduates explains the cryptographic protocols for achieving privacy of communication and the use of digital signatures for certifying the validity, integrity, and origin of a message, document, or program. Rather than offering a how-to on configuring web browsers and e-mail programs, the author provides a guide to the principles and elementary mathematics underlying modern cryptography, giving readers a look under the hood for security techniques and the reasons they are thought to be secure.
God's Promises for Girls

An easy way to help young girls see God's promises and how they can rely on His love in their daily lives. The promise verses in this book are selected from the best-selling International Children's Bible(R) to offer comfort and encouragement when a girl is feeling afraid, lonely, worried, angry, dissatisfied, discouraged, sad, rebellious, impatient, or sick . . . and when they need reassurance of God's protection, love, forgiveness, help . . . and that He listens when they pray. It's a great way for...

Broken Promises

"Shannon . . . argues that the introduction of basal readers and their attendant workbooks and teacher training packages has mechanized reading instruction and diverted teachers from teaching to being managers of classrooms. . . . The volume provides a cogent critique of majority practice. This is one of the few volumes that relate 'critical pedagogy,' as exemplified by the work of Giroux, Apple, and others, to specific examples of school practice. Because reading instruction is a central school...

Shattered Promises

For twenty-one year-old Gemma, life has never been normal. She knows nothing about her past and has been haunted by the same monsters in her nightmares for the last few months. Unemotional and numb to life, she feels disconnected from everyone. Until the very first day she cries. After that, nothing in her life is the same. Her emotions slowly surface and she starts experiencing love, happiness, and anger, feelings she never knew existed. But they leave her confused and she doesn't know whether ...

Threats and Promises

Mistaken identity . . . or the real thing? - After undergoing plastic surgery and opening a shop with a friend, Lauren Stevenson was looking forward to starting afresh. Then some peculiar things began to happen. She was nearly run down by an out-of-control car. A few days later she was attacked by a wild dog. Several items in her home had somehow moved. Matt Kruger showed up soon after. He's handsome, passionate, and says he's a close friend of her brother's. But why has Matt appeared now? After a...
