You can find Breaking Robert's Rules: The New Way To Run Your Meeting, Build Consensus, And Get Results book with ISBN 0195308360.
Every day in communities across America hundreds of committees, boards, church groups, and social clubs hold meetings where they spend their time engaged in shouting matches and acrimonious debate. Whether they are aware of it or not, the procedures that most such groups rely on to reach decisions were first laid out as Robert's Rules more than 150 years ago by an officer in the U.S. Army's Corps of Engineers. Its arcane rituals of parliamentary procedure and majority rule usually produce a victorious majority and a very dissatisfied minority that expects to raise its concerns, again, at the next possible meeting. Breaking Robert's Rules clearly spells out how any group can work together effectively. After briefly explaining the problems created by Robert's Rules, the guide outlines the five key steps toward consensus building, and addresses the specific problems that often get in the way of a group's progress. Appendices include a basic one page "Handy Guide" that can be distributed at meetings and a case study demonstrating how the ideas presented in the book can also be applied in a corporate context. Written in a non-technical and engaging style, and containing clear ideas and instructions that anyone can understand and use, this one-of-a-kind guide will prove an essential tool for any group desperate to find ways of making their meetings more effective. In addition, neighborhood associations, ad hoc committees, social clubs, and other informal groups lacking a clear hierarchy will find solid advice on how to move forward without resorting to "majority rules" or bickering over who will take leadership positions. Bound to become a classic, Breaking Robert's Rules will change the way you hold meetings forever, paving the way for efficiency, efficacy, and peaceful decision making.

Breaking the Rules (Troubleshooters)
When Eden Gillman needed someone most, Navy SEAL Izzy Zanella was always there for her—offering a place to stay and a shoulder to cry on. And when she got pregnant with another man's child, he offered his hand in marriage. Their life together seemed meant to be, until Eden's miscarriage left them devastated and estranged. Yet in order to save Eden's teenage brother, Ben, from his abusive stepfather, Eden once again reaches out to Izzy for help. He doesn't hesitate to reach back, and there's no denying...

OUTsider: Crossing Borders, Breaking Rules, Gaining Pride
Ruth Marimo is an Illegal Immigrant. Born in Zimbabwe, Marimo has traveled the world, gaining insight and deep appreciation for the plight of the illegal immigrant. Sharing firsthand recollections of how her status has been used as a weapon by employers, greedy predators, and even her own husband, she weaves a tale that is both personal and universal. Living as an undocumented immigrant, she details the daily struggles to survive as a health-care worker and to thrive as a wife and mother. Compli...

The Bright Continent: Breaking Rules and Making Change in Modern Africa
The path to progress in Africa lies in the surprising and innovative solutions Africans are finding for themselves. Africa is a continent on the move. Its often hard to notice, though the Western focus on governance and foreign aid obscures the individual dynamism and informal social adaptation driving the past decade of African development. Dayo Olopade set out across sub-Saharan Africa to find out how ordinary people are dealing with the challenges they face every day. She discovered an unexpect...

Shattered Consensus
Shattered Consensus: The True State of Global Warming convincingly demonstrates the remarkable differences between what we commonly read about global warming and what is really happening. Nine chapters describe major problems with computer simulations of future climate that are the basis for wrenching policies being proposed by world leaders. Anyone who reads this book will come away with a new appreciation of the complexity of the climate issue and will question the need for expensive policies ...

Meeting College Costs is the best resource on college financing I've found for families. It is both comprehensive and easy to understand."Donlad A. Saleh, Dean of Admissions and Financial AidCornell University, Ithaca, New York
Consensus in Clinical Nutrition

This important new publication provides a comprehensive and up-to-date consensus on a variety of aspects of clinical nutrition. The volume has been prepared to mark ten years of the Leeds Course in Clinical Nutrition, which has established itself as the major nutrition course in the United Kingdom and Europe. An international and authoritative team of contributors has been drawn together to reflect the strengths of the Leeds course and provide a self-contained publication that will benefit all p...

Southern Baptist Consensus and Renewal

An alternative to the controversial New Baptist Covenant, Southern Baptist Consensus and Renewal calls Southern Baptists to boldly unite and renew their commitment to the gospel, biblical authority, and their confessional heritage. Endorsements "Finally, Southern Baptists of the twenty-first century are shown the way back home. David Dockery, in the convincing and studied manner so typical of all his writings, calls for a fresh return to our theological, educational, and missiological roots . . ...

Markham Roberts: Decorating: The Way I See It

Known for his ability to work in any design vernacular, Markham Roberts brings a fresh approach to traditional and contemporary styles alike. His work is not defined by signature looks or design trends. Rather, using an inventive combination of layered patterns and color as well as bold juxtapositions of furniture of different styles and periods, custom designs, and works of art from around the world, he creates interiors that have been described as "the very definition of chic."Roberts structur...

In the Balance: Law and Politics on the Roberts Court

An examination of the initial years of the Roberts Court and the intellectual battle between Roberts and Kagan for leadership. When John Roberts was appointed chief justice of the Supreme Court, he said he would act as an umpire. Instead, his Court is reshaping legal precedent through decisions unmistakablythough not always predictablydetermined by politics as much as by law, on a Court almost perfectly politically divided. Harvard Law School professor and constitutional law expert Mark Tushnet ...
