The book was publish by Columbia University Press, it is one of best subjects book genre that gave you everything love about reading. You can find Derailing Democracy In Afghanistan: Elections In An Unstable Political Landscape book with ISBN 0231166206.
This volume shows how Afghan elections since 2004 have threatened to derail the country's fledgling democracy. Examining presidential, parliamentary, and provincial council elections and conducting interviews with more than one hundred candidates, officials, community leaders, and voters, the text shows how international approaches to Afghan elections have misunderstood the role of local actors, who have hijacked elections in their favor, alienated communities, undermined representative processes, and fueled insurgency, fostering a dangerous disillusionment among Afghan voters.

**Subsidizing Democracy: How Public Funding Changes Elections and How It Can Work in the Future**

In the wake of Citizens United v. Federal Election Commission (2010), the case that allowed corporate and union spending in elections, many Americans despaired over the corrosive influence that private and often anonymous money can have on political platforms, campaigns, and outcomes at the federal and state level. In McCorkle v. Bennett (2011), the Supreme Court declared unconstitutional the matching funds feature of so-called Clean Elections public financing laws, but there has been no strong...

**Political Campaigning, Elections and the Internet**

The Internet first played a minor role in the 1992 U.S. Presidential election, and has gradually increased in importance so that it is central to election campaign strategy. However, election campaigners have, until very recently, focused on Web 1.0: websites and email. Political Campaigning, Elections and the Internet contextualises the US Presidential campaign of 2008 within three other contests: France 2007; Germany 2009; and the UK 2010. In offering a comparative history of the use of the In...

**Elections and Voters (Political Analysis)**

This major new text by two leading authorities in the field provides a state-of-the-art assessment of what we know about voting behavior and the character, consequences and significance of elections in democratic states. Uniquely broad-ranging in scope, it shows how patterns of electoral behavior have evolved over time and also assesses the varying extents to which voters in different countries are able to affect the direction of government policies in practice.

**Encyclopedia of American Political Parties and Elections**

This new volume contains all the material a reader needs to understand the American election process and its political parties. This complete A-to-Z reference guide covers the people, events, and terms involved in the electoral process. It also provides the history of elections in the United States, focusing primarily on the presidential elections. Appendix material includes the results for every presidential election.

Is economic development conducive to political democracy? Does democracy foster or hinder material welfare? These two questions are examined by looking at the experiences of 135 countries between 1950 and 1990. Descriptive information, statistical analyses, and historical narratives are interwoven to gain an understanding of the dynamic of political regimes and their impact on economic development. The often surprising findings dispel any notion of a tradeoff between democracy and development. ...

**The Oxford Handbook of American Elections and Political Behavior**

The Oxford Handbook of American Elections and Political Behavior offers comprehensive coverage of the various theoretical approaches to the study of American elections and political behavior. The chapters are thoughtful and creative, providing broad overviews of intellectual developments and challenges, as well as incisive commentary on the accomplishments of, and challenges facing, scholars of American politics. Substantially, the Handbook includes chapters focusing on various approaches and is...
American Political Parties and Elections: A Very Short Introduction

Few Americans and even fewer citizens of other nations understand the electoral process in the United States. Still fewer understand the role played by political parties in the electoral process or the ironies within the system. Participation in elections in the United States is much lower than in the vast majority of mature democracies. Perhaps this is because of the lack of competition in a country where only two parties have a true chance of winning, despite the fact that a large number of ci...

Afghanistan: A Cultural and Political History (Princeton Studies in Muslim Politics)

Afghanistan traces the historic struggles and the changing nature of political authority in this volatile region of the world, from the Mughal Empire in the sixteenth century to the Taliban resurgence today. Thomas Barfield introduces readers to the bewildering diversity of tribal and ethnic groups in Afghanistan, explaining what unites them as Afghans despite the regional, cultural, and political differences that divide them. He shows how governing these peoples was relatively easy when power ...

Democracy & the Political in Max Weber's Thought

Max Weber is best known as one of the founders of modern sociology and the author of the Protestant Ethic and the Spirit of Capitalism, but he also made important contributions to modern political and democratic theory. In Democracy and the Political in Max Weber's Thought, Terry Maley explores, through a detailed analysis of Weber's writings, the intersection of recent work on Weber and on democratic theory, bridging the gap between these two rapidly expanding areas of scholarship. Maley critic...

Democracy and Terrorism: Friend or Foe? (Political Violence)

This book examines the relationships between democratic government and political terrorism. Since the 9/11 attacks, the United States and many of its allies have declared a war on terrorism. This struggle has been inspired in part by the belief is that by promoting democracy they will also bring an end to terrorism. Where people enjoy the blessings of liberty, they will naturally find peaceful outlets for the expression of their political views, it has been widely held. Terrorism, on the other ...
