Designing the Editorial Experience: A Primer for Print, Web, and Mobile

In a world of media that seems to be ever-changing, how do we define what a newspaper, magazine or journal physically is? Are we drinking our morning coffee on a Sunday as we sit down and read our newstablet? Look around any doctor's office waiting room and you will find two people reading the same magazine, one holding the paper version, another on their phone. With so many mediums, designers need to evaluate the best formats to convey an editorial vision. In Designing the Editorial Experience,...
