Imitation Of Life is written by Fannie Hurst in English language. Release on 2004-11-16, this book has 298 page count that contain constructive information with easy reading experience. The book was publish by Duke University Press, it is one of best fiction book genre that gave you everything love about reading. You can find Imitation Of Life book with ISBN 9780822386070.

A bestseller in 1933, and subsequently adapted into two beloved and controversial films, Imitation of Life has played a vital role in ongoing conversations about race, femininity, and the American Dream. Bea Pullman, a white single mother, and her African American maid, Delilah Johnston, also a single mother, rear their daughters together and become business partners. Combining Bea's business savvy with Delilah's irresistible southern recipes, they build an Aunt Jemima-like waffle business and an
international restaurant empire. Yet their public success brings them little happiness. Bea is torn between her responsibilities as
a businesswoman and those of a mother; Delilah is devastated when her light-skinned daughter, Peola, moves away to pass as
white. Imitation of Life struck a chord in the 1930s, and it continues to resonate powerfully today. The author of numerous
bestselling novels, a masterful short story writer, and an outspoken social activist, Fannie Hurst was a major celebrity in the first
half of the twentieth century. Daniel Itzkovitz’s introduction situates Imitation of Life in its literary, biographical, and cultural
contexts, addressing such topics as the debates over the novel and films, the role of Hurst’s one-time secretary and great friend
Zora Neale Hurston in the novel’s development, and the response to the novel by Hurst’s friend Langston Hughes, whose
one-act satire, “Limitations of Life” (which reverses the races of Bea and Delilah), played to a raucous Harlem crowd in the late
1930s. This edition brings a classic of popular American literature back into print.

**Imitation In Death**

The summer of 2059 is drawing to a sweaty close when a killer makes his debut with the slashing and
mutilation of a prostitute. He leaves behind a note addressed to Lieutenant Eve Dallas, commending her
work and inviting her to participate in his game…and signs it “Jack.” Now Eve is on the trail of a serial killer
who knows as much about the history of murder as she does, and he's paying homage to some of history's
most vicious, and infamous, killers, beginning with Jack the Ripper. But who wi...

**Imitation and the Social Mind**

From earliest infancy, a typically developing child imitates or mirrors the facial expressions, postures and
gestures, and emotional behavior of others. Where does this capacity come from, and what function does it
serve? What happens when imitation is impaired? Synthesizing cutting-edge research emerging from a
range of disciplines, this important book examines the role of imitation in both autism and typical
development. Topics include the neural and evolutionary bases of imitation, its pivota...

**The Knockoff Economy: How Imitation Sparks Innovation**

From the shopping mall to the corner bistro, knockoffs are everywhere in today's marketplace. Conventional
wisdom holds that copying kills creativity, and that laws that protect against copies are essential to
innovation--and economic success. But are copyrights and patents always necessary? In The Knockoff
Economy, Kal Raustiala and Christopher Sprigman provocatively argue that creativity can not only survive
in the face of copying, but can thrive. The Knockoff Economy approaches the question o...

**Ben Folds The Best Imitation Of Myself: A Retrospective Piano/Vocal/Chords**

(Piano/Vocal/Guitar Artist Songbook). The 22 pieces in this deluxe sheet music collection will delight any
pianist who is a fan of Ben Folds. Nearly 200 pages detail every song from Disc 1 of his 2011 multi-disc

**LIFE The Royal Wedding of Prince William and Kate Middleton: Expanded, Commemorative Edition (Life (Life Books))**

An intimate account of the Royal couple, featuring breathtaking photos from the April 29th Royal Wedding.
LIFE has covered all of the lavish royal weddings since even before Queen Elizabeth II wed in 1947, and of
course the magazine documented in splendid, intimate detail the "wedding of the century," that of Prince
Charles and Lady Diana, years later. Now LIFE celebrates the royal engagement of Prince William and
Kate Middleton. This book includes intimate pictures of William and Kate as they...
Bobby Zimmerman pilgrimaged to New York City's Greenwich Village just over a half century ago, seeking to visit his muse Woody Guthrie in the hospital and to launch a music career. He did both, and his first, eponymous album was released precisely 50 years ago. The rest is legend: Dylan the folk hero, Dylan going electric, Dylan and the Band, Dylan and the American ethos. Today, he stands as an always-touring icon. A national institution. It's time to celebrate the remarkable life of Bobby Zimme...

From a hard childhood lived largely in foster homes, she ascended to the highest of Hollywood heights—a screen icon beyond compare. And then she died young under mysterious circumstances, tragically cementing her legend. The life story of Norma Jeane Baker, the girl who would become Marilyn Monroe, is as thrilling, glamorous and dramatic as anything seen on the big screen, and the camera was there to capture every chapter. With intimate, rarely seen photographs of a pretty little child growing...

America has no royal family, but in the earliest 1960s, the White House was graced with the presence of a couple so attractive, so vibrant and so glamorous that the eminent historian Theodore H. White, writing in LIFE, likened the situation to Camelot. And if Jack Kennedy was our King Arthur, then Jackie was our queen. On these pages, that era comes alive again, as do the earlier and later chapters of Jacqueline Bouvier Kennedy Onassis's remarkable, captivating story. LIFE long enjoyed a specia...

Despite the popular view of medieval Europe as a Dark Age of intellectual stagnation, scientific and technological achievement thrived during this time. As any vacationer to Europe knows, churches and castles remain lasting testaments to the ingenuity of that period in history. Through carefully chosen examples which are presented in easily accessible thematic chapters, Science and Technology in Medieval European Life demonstrates how these two aspects of human achievement, far from being ivor...

The Twentieth Century separates my father's life of adventure, danger, and challenge. This Twenty-first Century is becoming dominated by Technology. The human spirit needs to be the master of technology or technology will become the master of the human. Dad lived before the automobile, the airplane, the telephone; he lived before the hurry and the worry of so-called modern life. There is a tug in the human heart for the simplicity and the directness of "the life of the frontier." In the "primiti...
