Silent Dancing: A Partial Remembrance Of A Puerto Rican Childhood

The oral history of a family never matches up with the written word. As a result, when a person dies who has the basic information, much of the history dies with that person. Gone are the horse thieves, rascals and real characters who make up the gene pool of the present generation; gone are the do-gooders who never created a fuss or stirred a wave. They are forgotten along with the horse thieves, and yet all of them left an impression and were part of the history of the family. In an effort to ...

Justice and Remembrance

Ali b. Abi Talib, son-in-law and cousin of the Prophet Muhammad, first Shi'i imam and fourth caliph, is a monumental figure within the Islamic tradition. But despite the immense importance of Imam Ali, there is a dearth of literature in Western languages about his life and thought. This book -- the first serious engagement in English with the intellectual principles underpinning his teachings -- is therefore a welcome and valuable addition to the sources available. It consists of three parts. Pa...

In Remembrance and Hope

Volume 27 in the Historical Series of the Reformed Church in America chronicles the life and ministry of one of the RCA's most significant twentieth-century representatives, Howard G. Hageman (1921-1992), respected pastor, teacher, president of New Brunswick Theological Seminary, and weekly columnist for the Church Herald.

Riot and Remembrance

Drawing on period documents and interviews with survivors and their descendants, the author of Hurricane offers a definitive account of the 1921 race riot that destroyed the Greenwood section of Tulsa, Oklahoma, leaving hundreds of black residents dead, and describes the battle for belated justice and reparations to the victims. Reprint.

From a Pulitzer-Prize winning biographer, the most revealing, fascinating, and important biography of one of our greatest literary figures.

Race, War, and Remembrance in the Appalachian South

Among the most pervasive of stereotypes imposed upon southern highlanders is that they were white, opposed slavery, and supported the Union before and during the Civil War, but the historical record suggests far different realities. John C. Inscoe has spent much of his scholarly career exploring the social, economic and political significance of slavery and slaveholding in the mountain South and the complex nature of the region's wartime loyalties, and the brutal guerrilla warfare and home front...

Strength in What Remains: A Journey of Remembrance and Forgiving

A New York Times Bestseller, A Pulitzer Prize-winning Author -- The "master of the non-fiction narrative" (Baltimore Sun) gives us the inspiring account of one man's remarkable American journey and of the ordinary people who helped him -- a brilliant testament to the power of will and of second chances. Deo's path leads from the horrors of civil war and genocide in Burundi, through JFK (with two hundred dollars, no English and no contacts, and eventually to medical school, and a life devoted to...
