
For those starting out in their careers and those who wish to advance more quickly, this is a delightfully fussy guide to the hidden
rules of the road in the workplace and in life. As bestselling author and social historian Charles Murray explains, at senior levels of an organization there are curmudgeons everywhere, judging your every move. Yet it is their good opinion you need to win if you hope to get ahead. Among the curmudgeons day-to-day tips for the workplace: Excise the word like from your spoken English. Dont suck up. Stop reaching out and sharing. Rid yourself of piercings, tattoos, and weird hair colors. Make strong language count. His larger career advice includes: What to do if you have a bad boss. Coming to grips with the difference between being nice and being good. How to write when you dont know what to say. Being judgmental (its good, and you dont have a choice anyway). And on the great topics of life, the curmudgeon urges us to leave home no matter what, get real jobs (not internships), put ourselves in scary situations, and watch Groundhog Day repeatedly (hell explain). Witty, wise, and pulling no punches, The Curmudgeons Guide to Getting Ahead is an indispensable sourcebook for living an adult life.

The Curmudgeons Guide Getting Ahead

CompTIA Security+: Get Certified Get Ahead: SY0-301 Study Guide

CompTIA Security+: Get Certified Get Ahead: SY0-301 Study Guide is an update to the top-selling SY0-201 guide, which helped thousands of readers pass the exam the first time they took it. Each of the eleven chapters presents topics in an easy to understand manner and includes real-world examples of security principles in action. The author use...

Ahead of the Game: The Parents' Guide to Youth Sports Concussion

Sports-related concussions, also known as mild traumatic brain injuries, have become a national epidemic. As many as 63 percent of high school students have already had at least one concussion, while another 500,000 children between the ages of ten and fourteen visit ERs for concussion annually. New research has shown that there is no such thing as a simple bell-ringer, and that sending a child back on the field too soon puts his or her physical and emotional health at risk. Yet it is all too ea...

Go Ahead, Talk to Strangers: The Modern Girl's Guide to Fearless Networking

Go Ahead, Talk to Strangers- The Modern Girl's Guide to Fearless Networking, written by Adrienne Graham, gives you the foundations needed to become a fearless networker. This is a practical guide that inspires women to actively build relationships and take "who they know" and turn it into a competitive advantage. Anyone has the power to network, but it takes a truly special type of person to value those relationships more than any tangible possession. Learn how to buck the system and circumvent ...

Managing your digital photos can be one of the most unavoidable headaches. With so many existing workflow practices based on specific software rather than a universal view of the entire image file processing ecology, you need something that can make the process less overwhelming. Patricia Russotti and Richard Anderson provide you with the best workflow practices for planning and capturing to archiving you digital photography and everything in between. This easy-to-follow design paired with detail...
Iceberg, Right Ahead!

Only 160 minutes passed between the time a sailor on lookout duty uttered these chilling words and the moment when the mighty ocean liner Titanic totally disappeared into the cold, dark waters of the North Atlantic. This century-old tragedy, which took the lives of more than 1,500 passengers, still captivates people today. Even the most avid Titanic fans will learn something new as McPherson brings the reader up to date on the efforts to preserve and memorialize the wreck—including what modern sc...

What's Ahead in Education?

What's Ahead in Education?: An Analysis of the Policies of the Obama Administration illuminates the educational views of President Barack Obama. This is done by studying his life to date, his writings and speeches, as well as his initiatives thus far, in the field of education. His unique educational background and public service prior to assuming the presidency offers a number of clues as to how he will perform as President. Attention is also paid to those individuals such as his father, mother...

One Step Ahead: Writing for the Internet

This is a practical guide for those wishing to write copy for websites as well as for those who commission others to do it. The book is set in two parts, the first gives learning objectives based on key ideas, techniques, and resources, and the second summarizes these objectives, explains technical terms, and gives pointers to useful sites and references.

The Optimized Woman: If You Want to Get Ahead, Get a Cycle

At last a book that teaches us to how to harness the power of our cyclic nature! Miranda Gray has provided us with an indispensable guide to understanding how the variable (often considered inferior) nature of women's abilities can in fact be an invaluable tool to women and society as a whole. Amy Sedgwick O.T. Reg. (Ont.), Red Tent Sisters, Toronto
