Despite real progress, women remain rare enough in elite positions of power that their presence still evokes a sense of wonder.
In Through the Labyrinth, Alice Eagly and Linda Carli examine why women's paths to power remain difficult to traverse. First, Eagly and Carli prove that the glass ceiling is no longer a useful metaphor and offer seven reasons why. They propose the labyrinth as a better image and explain how to navigate through it. This important and practical book addresses such critical questions as: How far have women actually come as leaders? Do stereotypes and prejudices still limit women's opportunities? Do people resist women's leadership more than men's? And, do organisations create obstacles to women who would be leaders? This book's rich analysis is founded on scientific research from psychology, economics, sociology, political science, and management. The authors ground their conclusions in that research and invoke a wealth of engaging anecdotes and personal accounts to illustrate the practical principles that emerge. With excellent leadership in short supply, no group, organisation, or nation can afford to restrict women's access to leadership roles. This book evaluates whether such restrictions are present and, when they are, what we can do to eliminate them.
Thunderspire Labyrinth (Dungeons & Dragons, Adventure H2)

A 4th Edition D&D adventure for characters of levels 4-6. Beneath Thunderspire Mountain lies a sprawling network of mazes, tombs, and caverns collectively known as the Labyrinth of Lost Souls. In recent years, this vast labyrinth has become a living dungeon where trade between the surface and subterranean worlds is possible. However, beyond the well-lit halls where prospectors, merchants, and traders convene lies a darker world where adventurers battle monsters and fiendish beings perform secret r...

The Hispanic Labyrinth: Spain's Encounter with Latin America

In its original Spanish language version, this tour de force was awarded the famed Espejo de Espana prize. Rubert deVentos examines the ambiguous yet highly charged relationships between Spain and the American nations of the Western hemisphere. Writing with the grace and charm that characterizes the best of the pensador tradition, the author has produced a fundamental treatise on social development. With his deep appreciation for the indigenous populations of South and Central America, Rubert...

Few issues in tax policy are as divisive as the capital gains tax. Should capital gains—the increase in value of assets such as stocks or businesses—be taxed at all? If so, when should they be taxed—when they are earned, or when they are realized? Should taxes be adjusted for inflation? And should gains be taxed at both the individual and corporate levels? In this book, Leonard Burman cuts through the political rhetoric to present the facts about capital gains. He begins by explaining the com...

Conscious Conception: Elemental Journey through the Labyrinth of Sexuality

In an age when modern reproductive technology is moving at a rapid and alarming rate, Conscious Conception is an alternative exploration into understanding personal fertility, as well as a comprehensive guide to discovering newfound meaning in our sexuality. Combining knowledge of myth and culture, authors Jeannine Parvati Baker and Frederick Baker offer a step-by-step manual of fertility awareness, depth psychology, and psychic birth control and interweave the five elements Earth, Water, Fire, A...

Putin's Labyrinth: Spies, Murder, and the Dark Heart of the New Russia

In Putins Labyrinth, acclaimed journalist Steve LeVine, who lived in and reported from the former Soviet Union for more than a decade, provides a gripping account of modern Russia. President Dmitri Medvedev and the countrys real power, Prime Minister Vladimir Putin, are posing a resolute challenge to the West. In a penetrating narrative that recounts the lives and deaths of six Russians, LeVine portrays the growth of a culture of death from targeted assassinations of the states enemies to the Kre...
